

ЗБОРНИК ЗАДАЧ ПА АЛГЕБРЫ

$$\sqrt[n]{ab} = \sqrt[n]{a} \cdot \sqrt[n]{b}$$

A large, stylized number '10' is centered in the background of the page, overlapping the four quadrants. The background of the top-right quadrant features a metallic, reflective surface with a grid pattern.

$$a_{n+1} = a_{n-1} + a_n,$$
$$a_1 = a_2 = 1$$

An abstract background with a metallic, reflective surface and a grid pattern, similar to the top-right quadrant. A large, stylized number '10' is centered in the background of the page.
