

INSTITUTE OF INCLUSIVE EDUCATION

ПЕТРОВИЧОРВИ БГПУ

The idea of inclusive education

The idea of inclusive was born within large-scale changes in understanding of human rights, human dignity and human identity. It provides for the flexible transformation of the educational system in accordance with individual needs, cognitive opportunities and abilities of every child.

The Institute of Inclusive Education provides the training of specialists

In the first stage of higher education in the specialties :

“Oligophrenopedagogics”

“Typhlopedagogics”

“Surdopedagogics”

“Speech Therapy” .

In the second stage of higher education in the specialty “Correctional pedagogy” with profiling

“Early comprehensive assistance to children with developmental disabilities”

“The activity of the psychological-medical-pedagogical commission and the psychological-medical-pedagogical consultation” .

The structure of the Institute of Inclusive Education includes the following divisions

- Department of Correction and Development Technologies;
- Department of Speech Therapy;
- Department of Pedagogy and Psychology of Inclusive Education;
- Department of Special Pedagogy;
- Educational and organizational department;
- Educational laboratory for the development of information technologies in special education "Education without borders";
- Republican resource center of inclusive education, created on the initiative and with the support of UNICEF;
